## **PROJECT OVERVIEW**

**Location:** This subject real estate is approximately 21.00 acres in size and is located between Chatham Ridge Ct. and Oak Ridge Rd., north of E 206<sup>th</sup> St. (see **Exhibit 2**). The Property is currently zoned the Chatham Hills PUD District, which was originally adopted at the January 13, 2014 City Council meeting. Adjacent zoning districts include AGSF-1 and PUD containing Agriculture and Single-Family land uses.

**Project Description:** The petitioner is requesting an amendment to the architectural and landscaping standards for two (2) proposed residential estate-style lots in the Chatham Hills PUD District.

---

## **ORDINANCE DETAILS**

**Concept Plan:** The proposed amendment will incorporate an updated concept plan illustrating two (2) individual estate style single-family residential lots proposed for development on the 21-acres subject to this PUD amendment.

**Development Standards:** The proposed amendment modifies some standards of the Original Ordinance, as described below:

- Architectural Standards
  - The original PUD ordinance contained residential architectural standards outlined in Section 16 “Single-Family Architectural and Streetscape Design Standards”.
    - The proposed PUD amendment would replace Section 16.3 “Design Elements” with language that reflects the proposed architectural design elements associated with Lots K1A and K2A as shown in Exhibit B “Illustrative Character Exhibit”.
    - The proposed PUD amendment would replace Section 16.4(B) “Exterior Surfaces” with language that permits exterior materials consistent with the proposed materials associated with Lots K1A and K2A as shown in Exhibit B “Illustrative Character Exhibit”.
  - The proposed PUD amendment would also require the proposed development to be constructed in substantial compliance with the provided “Illustrative Character Exhibit” attached to the ordinance.
- Landscape Standards

- The original PUD ordinance required external street frontage landscaping along Oak Ridge Road and a 20' width "Type A" perimeter buffer yard along the remainder of the subject parcel. The proposed PUD amendment would omit these landscaping standards.

---

### **CHANGES SINCE LAST MEETING**

Since the public hearing at the May 4, 2022 Plan Commission meeting the following changes have been incorporated into the proposed Chatham Hills PUD Amendment IX Ordinance: 1) The addition of architectural "design elements" language; and 2) the addition of architectural "exterior surfaces" language. Together, these additional text changes reflect the proposed architectural design elevations associated with Exhibit B – "Illustrative Character Exhibit".

---

### **COMPREHENSIVE PLAN**

The property falls within the "New Suburban" land use area of the Westfield-Washington Township Comprehensive Plan (the "Comprehensive Plan"). Detached dwellings, attached dwellings, institutional uses, recreational uses, artisan farms, and equestrian uses are contemplated as appropriate uses within the "New Suburban" area. Indiana Code states that reasonable regard be paid to the Comprehensive Plan when considering zone map changes; however, the Comprehensive Plan is not law. The Comprehensive Plan is intended to serve as a guide in making land use decisions.
